1. By using any of our music or SFX you agree to the following terms and conditions.
2. For consideration of all fees paid, Music 2 Hues grants the non-exclusive rights to mechanically reproduce via synchronization to any, video, or audio productions, the musical and sound effects compositions contained within the Music 2 Hues disc catalogue. The exclusive rights and copyrights to the music are held and controlled in whole by Music 2 Hues Publishing (ASCAP). Ownership (copyrights) of the music remains with Music 2 Hues. These music tracks/CD's are licensed to you only, and the musical tracks contained within remain the property of Music 2 Hues. You have purchased the life-time rights to mechanically synchronize and use the compositions in your video or multimedia productions in accordance to the terms set below. You have not purchased the right to claim ownership of the music.
3. The owner or user of this library package may not copy, decompile, sell, or reproduce the tracks/discs or any part of the content of the tracks/discs by themselves, contained herein in any matter, way, shape, or form, or make use of addition of vocals to the music tracks for song purposes without prior written consent from Music 2 Hues. Licensee recognizes that this non-exclusive mechanical and synchronization license shall be limited to the lifetime of the licensee. The rights and license granted hereunder may not be assigned or transferred, either affirmatively or by law, without the written consent of Music 2 Hues.
4. The total liability of Music 2 Hues under this license is limited to that part of the consideration paid to Music 2 Hues. Music 2 Hues assumes no liability, and grants no warranty to performance or product, with the exception of replacing defective product within 5 days of receipt of said product. The licensee has only the right to use the musical compositions of the Music 2 Hues music library as accompaniment to, or set in synchronization with, another form of media (i.e. video, narration, slide, multimedia presentations, etc.), and not as a "performance" piece unto itself. This license does not include the right to use the musical compositions as public performance or foreground music (radio, TV, etc) without filing/reporting cue sheets. The right to reproduce and/or resell the musical compositions as performance or foreground music by themselves (un-synchronised) is also prohibited.
5. This agreement, its rights, and/or the tracks contained within, are not transferrable and may not be modified orally. This is a single site/user agreement, granted to the original purchaser only. We may modify this agreement at any time, and/or to comply to any new laws. All rights specifically not granted to the licensee are reserved by Music 2 Hues. Foreign and overseas use of the music is applicable to the local governing laws. Moreover, the liability of M2H, its agents and employees in respect of any cause of action (whether arising in tort, contract or otherwise and notwithstanding any negligence or other fault) shall in no event exceed the sales value of product purchased.

YOU MAY NOT: (a) distribute, rent, lease or grant sub-licenses or other rights to the audio files by themselves; (b) provide use/sale/redistributing of the audio files in a computer service business, network, BBS, internet server, online auction site, time-sharing, multiple CPU or multiple user arrangement; (c) Use the music in software/hardware video games, or in cellphone products without the prior written consent of Music 2 Hues and/or additional fees, (d) Resell the music CD's or tracks, or auction them on any auction sites, such as Ebay©.
